New Management Team at Employers Organisation

The Fiji Commerce and Employers Federation (FCEF) has undergone an organizational restructure and is pleased to announce a new management team. Under the leadership of the Chief Executive Officer (CEO), Mr Edward Bernard, the new structure includes a Senior Manager role alongside three Manager positions, creating a competent and forward-looking Senior Management Team.

The Senior Management Team includes:

- Senior Manager, Advocacy & Corporate Communications: **Ms Gaylene Kamali**
- Manager, Finance & Operations: **Ms Pratibha Datt**
- Manager, Business Development: **Ms Pricilla Ram**
- Manager, Office Administration: **Ms Martha Kamea**

The new team compliments the recently nominated Board of Directors and the new President, Mr Eldon Eastgate and with the drive of the CEO, will see a more renewed energy and deliver on better outcomes for Employers and the Private Sector.

"I am very excited with the new team and I have full confidence in them. They bring with them private sector expertise and experience that can be leveraged to deliver better on our Corporate Plan and lead the departments and staff under their responsibilities", said Mr Bernard.

The new organizational structure now provides more clarity to FCEF's core budget and funded positions and the roles and responsibilities of each staff. First quarter organizational performance was presented at the recent Board meeting and showed good progress in the financial, technical and management areas.
