Design & Multimedia Development – Private Sector Disaster Preparedness Toolkit

The Fiji Commerce & Employers Federation (FCEF) is seeking qualified suppliers to deliver end-to-end design and multimedia development services for the Private Sector Disaster Preparedness Toolkit.

Scope of Work Includes:

- Design and layout of a 50–60 page toolkit (includes printing)
- Development of animated explainer videos
- Creation of editable forms and templates
- Production of print-ready and digital-ready outputs

EOI Deadline: 26 February 2026

Project Delivery Deadline: 17 March 2026

Suppliers with strong experience in graphic design, animation, and multimedia production are encouraged to apply.

**Scope may be subject to variations.*
